8. having great force and ability
9. machines and tools we use in our life
10. motion through the air by a plane, person, or rocket

# What It Takes To Be A Hero

---

1. What do you think a hero is? What qualities do they have?
2. Name some heroes you know.
3. Why are they a hero to you?
4. Who in your neighborhood is a hero and why?
5. What would you do to become a hero?
6. Ask a family member to help you pick out a picture of your favorite hero or draw your own hero below:

# Make a "Go Green" Robot

**Bring recyclable materials from your home.**

Ask a family member to help you collect recyclable materials to make a robot.

**Here are some suggestions:**

Paper towel rolls/tubes

Cereal boxes

Soup cans and cartons

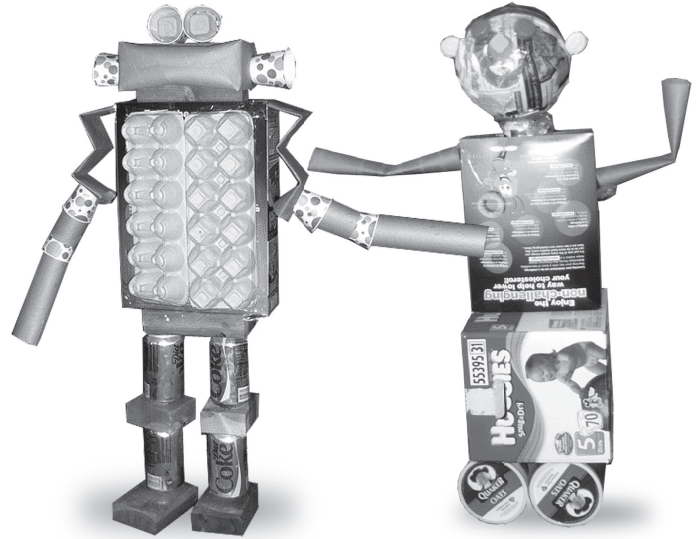

Bottle caps

Paper plates

Plastic spoons and forks

String

Rubber bands

**After you build your robot, write down 3 things you can do in your life to make this a greener planet:**

**1.**

**2.**

**3.**

# Astro Boy Superpowers and You

---

**Astro Boy has these superpowers:**

1. X-Ray vision.
2. The ability to fly using rocket boots.
3. Arms that transform into cannons.
4. Ability to speak and hear "robot" language.
5. A blue core power source that is pure positive energy.
6. Threat Analysis HUD (Heads-Up Display) Astro Boy can determine the threat level of a target.

If you could have one superpower what would it be?

Why did you pick it?

How would you help others with your special power?

How would you use your superpower to save the world?
